The drawings were received on 9/06/2005. These drawings are approved by examiner.

Allowable Subject Matter

Claims 2-20 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance: The prior art of record when considered as a whole, alone or in combination, neither anticipates nor renders obvious a modular refrigeration unit comprising a bulkhead assembly consisting of a periphery with a gasket assembly and said gasket assemble engaging a mating surface located around an opening to form a substantially air-tight seal between a main condenser and the condenser chamber and furthermore comprising a said gasket assembly including a first thermal breaker portion for attachment to a mating surface and a second thermal breaker portion for attachment to a bulk head body portion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
